

This is the privacy policy of Inland I.T. Solutions, LLC. This document explains Inland I.T. Solutions, LLC's policies for the collection, use, and disclosure of personal information.

### **The Information We Collect**

Inland I.T. Solutions, LLC collects information by various methods including information actively provided by lead providers, its customers, and information arising from customer surveys and general feedback.

The types of personal information we collect include name, contact information, identification information, and credit information. Credit card information is used for billing purposes only. We may record calls to or from our sales/customer service representatives for the purposes of accuracy, performance reviews, training, and general quality assurance.

### **How We Use This Information**

This information is used to aid in the provision of our various products and services, including customer service, accounting, billing, collections, and the marketing of other products or services.

Inland I.T. Solutions, LLC may use aggregate or anonymous information for various uses for itself and third parties.

### **Who We Share This Information With**

Inland I.T. Solutions, LLC does not share personal information with any third parties except as disclosed in this policy. Inland I.T. Solutions, LLC may provide personal information to our subcontractors and professional advisors (which shall be bound by privacy obligations) to assist Inland I.T. Solutions, LLC uses disclosed herein.

### **Security**

Personal information is stored in a combination of paper and electronic files. They are protected by security measures appropriate to the nature of the information.

### **Accessing Information**

Individuals may review their personal information contained in Inland I.T. Solutions, LLC files by contacting us at (509) 931-0230. If an individual believes that any of their personal information is inaccurate, we will make appropriate corrections.

## **Cookies**

Cookies are used by Inland I.T. Solutions, LLC for the convenience of our users. Cookies automatically authenticate the user. A user can access the Inland I.T. Solutions, LLC website with the cookie feature turned off; however, in doing so they may find themselves challenged for username and password information on multiple occasions. Inland I.T. Solutions, LLC also uses cookies to track user's visits and uses that information to improve the users experience.

## **Links**

The Inland I.T. Solutions, LLC website may contain links to information at other websites. When you click on one of these links, you are moving to another website. We encourage you to read the privacy statements of these linked sites as their privacy policy may differ from ours.

## **General**

Inland I.T. Solutions, LLC may amend this policy from time to time. If such amendments affect how Inland I.T. Solutions, LLC uses or discloses personal information already held by Inland I.T. Solutions, LLC in a material way, Inland I.T. Solutions, LLC will obtain consent.

Notwithstanding in the general terms of this policy, the collection, use, and disclosure of personal information may be made outside the terms herein to the extent provided for in any applicable privacy or legislation in effect from time to time.

Inland I.T. Solutions, LLC may disclosure personal information to another entity purchasing (including for the diligence purposes prior to purchase) the assets of Inland I.T. Solutions, LLC, provided that entity abides by this or a similar privacy policy.
